The bay's clear blue waters, protected by the reef one kilometre from the shore, are ideal for swimming and snorkelling. If the midday sun becomes too strong you can retreat into the shade of the palm trees that line the white sandy beach, and sip a long, cool drink. The hotel has its own traditional wooden long boat with which guests can access deep waters before and beyond the reef, which offer good game fishing for tuna, marlin, barracuda and king fish. The hotel also offers snorkelling at Mnemba Atoll where you find many species of coral and marine life; and at Kizimkazi where sharks, dolphins and turtles can be found. Scuba diving can be also arranged.

The **Beach Front Rooms** are a short stroll from the beautiful Pongwe beach. These are the perfect rooms for families as triple and quadruple rooms are available. All the beach front rooms have an outdoor area with lazy chairs and hammocks.

At 80km long and 30km wide, Zanzibar is the largest island in the archipelago. With exquisite beaches and fascinating culture, Zanzibar has a long trading history with the Arab world. It was a separate state until 1964 and has a unique culture all of its own. Known as the 'Spice Island', you will still find cinnamon, turmeric, chillies, nutmeg and cloves growing wild. Lapping the pristine white sandy beaches are the turquoise coral waters of the Indian Ocean, which are great for snorkelling and diving. In the interior, the Jozani Forest Reserve has a maze of nature trails where birds, antelope and even the rare Red Colobus Monkey roam freely.
