The eLandy aside, the three top of the range game viewers reside on the park side of the river. It's a quick float in a boat over to them which is always a nice way to start the morning! The guides are all masters of their craft, spend a morning or afternoon exploring the park with them and see what you can find. Regular sightings include lion, leopard, elephant, buffalo, a wide range of antelopes including roan, sable and zebra, hippo, crocodile, warthog, genet, jackal, mongoose, every entertaining baboons and monkeys and a myriad of species of bird. Rarer species are also on the cards including wild dog, cheetah, honey badger, civet, serval, bushpig, porcupine and bushbaby.

Take a smooth and serene boat cruise either at dawn or for sunset on one of our boats. Staying on theme one of our boats is solar powered. There is nothing quite like quietly drifting down the mighty Kafue river taking in the sights and sounds of the river with a breeze in your hair! Spend a relaxing few hours following the river bank to see what is living on the water or coming down to drink. Sunset from the water is particularly beautiful!

Want to be a bit more active?! Head out on a walking safari with one of our specialist walking guides and an armed Zambian Wildlife officer.
